Items To Be Discussed

Minutes:

The following topics were discussed during the conference call:

- Currently in Miami - Dade, the program serves approximately 8000 students in 101 schools, including 32 elementary, 34 middle and K-8 Centers, and all high schools.
- It appears as if the funding is paid through the district. However, we know there are no private funds used for scholarships and additional field trips.
- John Sullivan, Lobbyist for Duval County, is working with key legislators to earmark funding for Duval in the amount of \$250K to establish the program next year.
- Larry Roziers, Executive Director, Family and Community Engagement, visited Miami-Dade to observe and understand the program. Our initial thought is to identify the following schools to start the program next year:

Westside High School and JEB Stuart Middle
 Ribault High School and Ribault Middle
 Wolfson High School and DuPont Middle
 Terry Parker High School and Fort Caroline Middle
 Lee High School and Jeff Davis Middle
