Minutes:

The Superintendent explained the recommendation to the Board.

Vice-Chairman Burney indicated that some community members were in attendance at this Special Meeting, and, they have been part of the process for a long time. She indicated that it was a hard fight against bringing in an EMO last year, and that she is pleased with the work DeSensi has done to date and the direction we are heading. She shared that she and Board Member Wright would continue to hold community meetings.

Board Member Lee agreed and voiced his support for the schools and said he too would attend the community meetings. He likes the systematic approach that is being taken with the current Intervene schools.

Board Member Wright indicated that she too was pleased, saying their plan considers

the whole child and not just academics.
