Items To Be Discussed

[1. SUPERINTENDENT EVALUATION FORMAT](#)

Minutes:

Committee members reviewed sample evaluations from other districts in Florida and other states.

After discussion, it was decided to use portions of our current evaluation, the ACME evaluation provided by CRSS (Center for Reform of School Systems), and the St. Johns County evaluation.

Board Member Lee will work on inserting our Strategic Plan goals into the ACME format, and Board Member Couch will work on merging portions of our current evaluation and the St. Johns County evaluation and include areas such as leadership, student performance, and customer focus.

The Committee will also recommend that the full Board discuss one to three goals for the coming year which they would like to include in the evaluation.
